

Our Mission Statement

To support our children, families, and communities in an inclusive environment through innovative programs and services.

Vision

Building the best foundation for our children's future.

Values and Belief Statements

Every individual and family has the potential for growth.

Families are of primary importance in the development of individuals and their programs.

Collaborative teamwork best meets the individual's and family's needs.

Services are best provided as soon as a need is identified.

All individuals are entitled to equal rights and to be treated with dignity and respect.

Every individual should have equal access to full community participation.
